THE DUNEDIN HOME BIRTH ASSOCIATION

BOX 6124, DUNEDIN, NEW ZEALAND

Dear Barbara,

Well we have started the year on a very low key note. However we intend to this year to "hit 'em between they eyes" so that Dunedin will sit up listen and take notice.

One of the ways we are going to do this is by making our meetings more dynamic.

You showed a film at your public meeting and so we were wondering if you could recommend it or any others and where we could get them from.

As you may have gathered our position has not changed from last year. We are still looking for Doctors and midwives and will be advertising soon for a midwife.

Hoping your year$ is a successful one.
