Dear Trustees,

The Auckland Home Birth Association thank you for the grant recently forwarded to us to pay for the Co-ordinator who was the main organiser of the 1992 National Home Birth Conference held in Auckland May 22-24. It was wonderful to be able to reward her for the many months work than went into planning the conference.

The conference was very successful, with delegates from throughout the country attending. Much was covered, and the feed back supports our feeling that people went home feeling satisfied that the issues of interest and concern for homebirthers had been covered.

Thank you once again.

Yours faithfully

Dear Marjet,

At the last meeting of the Trustees of the Auckland Medical Aid Trust it was decided to grant your association another $18,000 for the salary of your co-ordinator.

We assume that you will want it paid at $1,500 per month on direct credit as is happening now. Please let us know if this is what suits your Association.

Yours faithfully,
