Dear Secretary

DOMICILIARY MIDWIVES SOCIETY OF NEW ZEALAND INCORPORATED

A review of your society's file shows that financial statements for 1995 and 1996 have not been filed.

Section 23 of the Incorporated Societies Act 1908 requires every society to file a set of financial statements annually. These statements must include the following:

- the income and expenditure account for the last financial year
- a statement of the assets and liabilities of the society at the close of that year
- a notice of all mortgages, charges and securities affecting any of the society's property
- a certificate by an officer of the society stating that the financial statement has been presented to and approved by the members of the society at a general meeting

Please forward these statements to us within 30 days of the date of this letter. If for any reason you are unable to do so please contact me immediately.

If, however, we do not hear from you within three months of the date of this letter, the Registrar will assume your society is defunct and will dissolve it in accordance with Section 28 of the Incorporated Societies Act 1908.

In any correspondence on this matter, please quote the reference number above.

Yours sincerely

Paul L. Secretary
