Dear Bronwen,

Thank you for your letter of 15th October and my apologies for this tardy reply as I have been on leave for two weeks.

There are no domiciliary midwives employed by the Tairāwhiti Area Health Board. I would however, be interested to learn more of your work on behalf of the midwives. Is it possible for my name to be placed on your mailing list? Thank you for contacting us.

Yours faithfully,

ANNE FERNIE (MRS),

DIRECTOR OF COMMUNITY HEALTH SERVICES.
