Dear Ms Grovehills,

Thank you for the copies of the work you have completed on behalf of the Domiciliary Midwives Society Inc. I have only had a chance to glance through it so far and will study it in detail at the first opportunity and make any comments to Joan Donley who can relay them to you at your next meeting.

- I am enclosing, for your information, copies of all the correspondence I have on file relating to fees negotiations with the Minister of Health. I'm sure it will be of some interest to you although not necessarily relevant.

Please let me know if I can be of any further assistance.

Yours sincerely,

(Ms) Bronwen Pelvin,
Secretary,
Domiciliary Midwives Society
