Dear Lynn,

How are you, and how do you like your work as a Domicillary Midwife?

I have been in contact with the newly formed Thames-Hauraki Plains H.B.A.

They are asking for a Domicillary Midwife (D.M.)

I went to the Principal Public Health Nurse (P.P.H.N.) in Hamilton, but she was very discouraging; There is one D.M. in Hamilton itself, but there isn't work for 2 here yet.

I have written to the Auckland (D.M.) and hope to work with them for a while. Is that a good idea?

The Thames H.B.A. advised me to write to you, for information and membership.

Can you please send me some? ~~please find enclosed.~~ In Holland I worked as a Maternity Nurse for 5 years, when they had all Home Deliveries. I did Midwifery in St. Helens. I hope to hear from you.

Yours sincerely,

Miss Corrie Van der Hulst
