Dear Gillian,

Regards are for Dom.  
midwives to meet at the regional  
conference, as yet, the agenda  
is not final but I'm sure  
it can be drawn up keeping  
your time in mind. Friday  
evening may be the best  
time so we had considered  
social time for Saturday night.

I will pencil your meeting  
in for Friday night and confirm  
this when I hear from you.

Regards,

Marionne Kato
