Dear

I am trying to arrange a Northern Regional meeting of the Domiciliary Midwives Society. There are two occasions happening soon that this could happen at. The first is an Auckland Home Birth Association seminar on Self-Development (covering how to deal with the media and politicians) on Saturday, 15<sup>th</sup> October at the Epsom Community House, 200 Gillies Ave., Epsom. This is a one day seminar at 9.00 am. Preferably breast fed children only if children are accompanying their parent. All registrations (refer) to:

Barbara McFarlane  
11 Manapui St,  
Meadsbank  
Auckland.

or Sue Bretherton,  
10 Henley Ave,  
Mt Eden  
Auckland.

Please let these ladies know if you need ticketing.

The second occasion is the Northern Regional Home Birth Association meeting at Wahi Beach Camp, the weekend of November 5<sup>th</sup>. All enquiries to: Mary Ann Kaitira,

302 Tenter St,  
Hames.

Please let me know as soon as possible if you plan to attend either of these events. I will arrange a meeting on the weekend that is attracting the attendance of most of the domiciliary midwives.

Regards

Gillian.
