October 13th, 1983.

Dear Jane,

Thank-you for your letter. Unfortunately I just received it today and as one of the weekends I was considering for a get-together was October 15th I've had to make a decision and notify others of it. Basically this coming weekend was unsuitable (I actually only had heard back from one out of Auckland midwife). This is Jenny Johnston of Hamilton and she will be at the Regional Conference. Joan Conley from Auckland may also be attending the conference, but no one else other than yourself. Of course other midwives may turn up at the last moment. But due to the lack of response I have decided to cancel arrangements for an official meeting.

If you know of other midwives likely to attend the said conference perhaps you could arrange a meeting during the weekend. Marianne Nation, of 302 Fenton St., Thames had tentatively booked our meeting in for Friday night but I have written to cancel this booking. There will be a social on Saturday night and I'm sure there will be some available time for an impromptu meeting should one be warranted.

If you want to get in touch with Joan or Jenny their addresses are:
Joan Conley
3 Fenton Ave.,
Mt. Albert,
Auckland.

and Jenny Johnston
89 Te Archa St.,
Hamilton.

Wishing you well,

Regards
