AUCKLAND, 5

Dear Mr MacFarlane,

My apologies for not replying to your letter sooner. Our office has recently been re-organised and it has meant some temporary delays.

As you have requested, I am enclosing lists of community committees and citizens' advice bureaux. The community committees relate only to Auckland City. You would need to go to other local authorities for lists of residents' groups in their areas. The citizens' advice bureaux listed cover an area from Whangarei to Papakura. They are enclosed on a separate sheet.

All communications to Auckland City community committees should be addressed to: the chairman, committee, c/- Auckland City Council, Private Bag, Wellesley Street. Names of committees are: Avondale, Blockhouse Bay, City, Epsom, Freeman's Bay, Grey Lynn, Meadowbank, Orakei, Parnell, Pt Chevalier, Ponsonby/Herne Bay, Remuera, St Heliers, Tamaki/Glen Innes.

I hope this information will still be useful to you.

Yours sincerely,

BEV HUME
