Dear Madame

Please find with-in a cheque for \$15 to cover fees for becoming a member of the Home Birth Association. Would you please send me relevant information, a list of present and/or next ante-natal classes and, if available, information on diet.

As I am due to have a home birth in September I would appreciate your quick response, if possible.

Thank-you for your assistance

Sincerely

Janet Thomas

Phone Janie Marciniak to check that she is on antenatal class list.
