10 April 1986

Dear Sir/Madam

As you may know, the Auckland Hospital Board has appointed a Special Committee to review the organisation of health and hospital services, and to recommend to the Board whether an area health board or boards should be formed.

I attach an information leaflet published by the Special Committee to publicise its activities and membership.

Yours faithfully

D S Lynn
for Chief Executive

Thank you for this letter could you please keep us informed of all developments concerning this matter
