Dear friends,

We are pleased to advise you of the recent formation of the Baha'i Women's Committee. It is the function of the committee to inform both the Government and the public, as a whole, of Baha'i principles relating to the equality of men and women, and the distinct role of women.

To achieve this, we hope to liaise with as many other women's organisations as possible, as well as with the Ministry of Women's Affairs; and to make submissions to them where appropriate. We would, therefore, be pleased if you would include us on your mailing list and keep us informed of the progress you make. We will, of course, be glad to do the same for you; and if at any time we can assist you in your work, please do not hesitate to contact us.

To assist us in understanding your organisation, we would be pleased to receive a summary of your aims and objectives.

Enclosed, for your information, are 2 pamphlets which will give you some background knowledge on the Baha'i Faith and the way in which it has promoted the equality of men and women, on a worldwide scale, for over 100 years.

Yours faithfully,
BAHA'I WOMEN'S COMMITTEE.

Jan Bryson (Secretary).
