Dear Friends,

On July 29 from 2pm ~ 3<sup>30</sup> We are having a session for our midwives on pain relief in labour. I have invited Maureen Mc Cormick, a midwife, hospital based, who uses active birthing. I shall also invite a Medical Practitioner. I would be grateful if a domiciliary midwife could also attend to speak for 30 minutes from 2pm on pain relief in home deliveries. I have tried to contact Joan Donnelly with no effect.

Looking forward to hearing from you

Yours Faithfully
