(THROUGH PRINCIPAL NURSE NWH) R.D.

Dear Mrs Emerson

As part of the Premidwifery Course run by National Women's Hospital, we the Premidwifery students are organising a half day Inservice session from 0830 - 1230 on 8 October 1987. This will be open to all nursing staff at obstetric hospitals.

The session is entitled - "Normal Childbirth - The Choices".

The objective is to promote awareness of options available for normal birth. To meet this objective, guest speakers have been invited to cover subjects such as Homebirth, Birthing Centres, Early Discharge, Hospital Birth, Accomodating Other Cultures and Drug Free Pain Management.

When initially approached by a member of the Premidwifery class, you expressed willingness to be a guest speaker. This letter is to confirm the invitation which we hope you will accept.

As agreed, your topic is / topics are: \_\_\_\_\_  
"HOME BIRTH & EARLY DISCHARGE"

Your speaking time will be 20 minutes with 10 minutes for questions and discussion.

You are very welcome to stay for the whole half study day but if your time is limited, it would be helpful for us if you would choose two half hour periods within the time frame that are suitable to you. We will try to accomodate your first choice and will contact you immediately with the confirmed time. Morning tea will be provided.

As time is of the essence in finalising this Inservice session, a reply at your earliest convenience will be appreciated. You may telephone Inservice Education Dept, National Women's Hospital, Extn 714.

Yours sincerely  
Liz Reid
