Dear Madam,

Please could you send me any available information on having a homebirth also anyone in the Taufo vicinity I could contact about it.

I recently gave birth to my first child a really amazing experience and one of the most wonderful moments of my life. During my pregnancy and right up until the birth I had considered a homebirth although I didn't know who I could contact about it.

I have a friend in Taufo who is 2 months pregnant she is also considering a homebirth I have given

her your address. But as she is working and rather busy, I thought I would write in case she leaves it too late.

I got your address off Carol Penning who had a homebirth in Auckland 2½ years ago. She did mention everything had to be organised well in advance.

Sorry to have taken up so much of your time.

Looking forward to hearing from you.

Take care

best of wishes  
Jrene
