Dear Nicholette,

in reply to your letter enquiring about the cost of a sales table for the Conference, we had not actually considered any fee up until your enquiry but on consulting with Gay, we thought perhaps \$15 might be fair - what do you think? I will organise a table for you and if there is anything else you might need set up beforehand, please let me know and I shall see to it. See you at Conference.

Kind regards,

Aiuta Peters

P.S. Do you have a programme yet?
