Dear Joanna and Nicolette,

Hello and at
loot here are 11 of the leaflets
advertising the conference for distribution
in Public Notice boards, shop windows
etc. - If you need more, then the
quickest way would be to photocopy
one of the paper coloured ones yourselves.

Also - don't forget to fill in one or
two contact people at the top.

(I suggest Brenda for one as she
has been party to some of the
discussions I've had with her in the
early Conference Planning -)

Anyway - many thanks - It's only
2 1/2 weeks now till D-Day so the
sooner they're up the better - look
forward to seeing you there (?) -

With best wishes, from home,
Anne (Shaplin).
