Dear Colleagues

SOCIAL WELFARE: ESTABLISHMENT OF DISTRICT EXECUTIVE COMMITTEES.

You may be aware that the passing into law of the 1987 Social Security Amendment Bill brings about major changes in the Administrative Structures of the Department of Social Welfare.

Most important of these from the District Office operational point of view is the requirement to establish District Executive Committees in each of the Department's District. These committees, made up of both community and official representation have a vital role to play in the future of the organisation.

Meetings are currently taking place to explain the role and function of the Committees and to arrange for nominations.

The next meeting is to be held on Monday 21 September 1987 in the Department of Social Welfare Conference Room, 3rd Floor, Fletcher House 519 Lake Road, Takapuna and you are invited to attend or arrange for a representative of your organisation to attend.

The meeting starts at 10.30a.m.

I hope to see you there.

Kind regards

Andy Gillies
Director
