Dear Darrella,

Could you please
publish the following
advertisement in the
national newsletter.

Wanted Domestic Midwife
to work with WHBA. The
Waikato has a desperate need
for domestic midwives.
Write to P.O. 6090 Hamilton.

Alas, we have ^{had} no midwives
registered as domestic
in spite of our efforts.
I have just had a

fabulous birth myself (1 1/2 weeks ago) thanks to Mary Hammond agreeing to come (though she ^{didn't} really come down) + a supportive doctor. But real home births are few and far between. So please publish this in your newsletter and maybe someday soon we'll have a real democratic midwife in the valley.

Thanks a lot.
