Dear Mrs Holms,

I received the newsletters you returned today. It is my opinion that the one dated October 1980 is in fact the missing No. 9. I will impress upon the present newsletter sub committee the importance of numbering them clearly and correctly. I enclose No. 8 which is dated July 1980 I also enclose No.'s 10, 13 and 15. You may keep No. 15 as I have many copies of it but I would appreciate it if you would xerox the others and return.

I have a lot of enquiries about old Newsletters. Can you give me a reference which I can give to people intending to look them up in the library?

Yours sincerely,

Barbara Macfarlane,

Sec.

A very quick reply - my apologies.

Thank you for sending the missing newsletters. They are available to the public. Ask at the desk in the New Zealand Dept. on the 1st Floor, & they will be happy to let anyone interested see them. There is also a xerox copier handy as they are not loan material. I hope to bind them approximately every 5 years. There is no need to send the library the National Newsletters. Due to lack of space, the librarian has a policy of collecting material relevant to the Auckland area only.

Sincerely

Pam Holms
