

## HOME BIRTH SEMINAR

A seminar on aspects of home birth will be held at Auckland University on Saturday as part of International Home Birth Week.

An outspoken domiciliary midwife, Joan Donley, will speak on "The Politics of Home Birth" and workshops will include fathering, contraception, breastfeeding, herbs for health in pregnancy and yoga for mother and partner.

The seminar will be held from 1 pm to 4.30 pm in a lounge of the Student Asso-
