(this is close to Y.W.C.A.)

Rooms \$40.00 double
\$30.00 single

Meals available at Auckland Hospital Cafeteria \$6.00 average meal

Accommodation is available for the nights of the Midwives Meeting and the Home Birth Associations' Conference. Bookings for accommodation must be in by **14th April** - To Jenny Woodley (address & phone No below)

Some billeted accommodation available around Auckland with midwives.

This meeting time is for midwives currently attending women having home births.

This is the one time of the year we can be together in a totally supportive environment, to discuss problems, share experiences and support each other.

Other midwives interested in attending home births will have opportunities during the conference to hear practising domiciliary midwives discuss their work.

To enable the meeting time to be used well (we never have enough time) could you send brief summaries of your work and any items for discussion. These reports will be collated and sent back out to attending midwives to digest before the meeting.

To give us an idea of numbers could you please let us know if you intend coming and what your accommodation requirements are by **14th April**

Contact: Jenny Woodley (09) 2928 404 P.O. Box 153 Clevedon, South Auckland
Carolyn Young (09) 8362 770 36 Larnoch Rd Henderson, Auckland

On Saturday and Sunday of the conference there will be workshops run for Maori & Pacific Island women to hear midwives and consumers talk about home birth. If there are any midwives interested in joining these sessions who may have a special interest or knowledge please mention this to Carolyn or Jenny when you register.

Looking forward to seeing many of you in Auckland. :

Regards

Jenny & Carolyn
