## The 2nd International Home Birth Conference

*Reclaiming our heritage.....Creating our future.*

The second International Home Birth Conference will be held in SYDNEY, AUSTRALIA in October/November, 1992. It will run over five days (including a recreation day) with workshops available on the days before and after the conference. The second International Home Birth Conference aims to have a broad international focus, and will look at the advantages of homebirth, what it has given to families and what it offers to future generations. The conference will be addressed by speakers such as Sheila Kitzinger and Janet Balaskas.

*The Conference Organising Committee makes its CALL FOR PAPERS.*
