Dear Allison and John,

As a result of lengthy discussions at the N.Z. Home Birth Assoc. Conference in May, the domiciliary midwives decided to form their own group.

Having met you and seen examples of your skills in the design and printing areas, I wondered if you would be interested and able to design for us some letter head note paper.

Essential items of information would probably be:-

- a) Domiciliary Midwives Society
- b) Secretary
- c) Address
- d) Telephone

As the executive officers and addresses may change annually, it might be best to just have the headings, and the name, current address and phone number could be written on each individual letter sent out. I do not expect the volume of out going mail to be great.

We would, of course, be happy to reimburse you for all the costs incurred in such a project.

Look forward to hearing from you.

Regards,

Lyn McLean.
Secretary.
