Dear Gillian,

At last a word from the deep south - thought I'd better update my membership of the DMS before conference time in May.

So enclosed ~~are~~ subs from both me and Chris Vaden for the past two years.

Both of us intend going to Christchurch as neither of us have anyone due around that time and it also gives us an opportunity to do some shopping at the medical supply houses.

So we're both looking forward to the contact with other midwives and a chance to renew ~~and~~ acquaintances.

Sincerely  
Bronwen Pelwin
