Dear Bronwyn,

I don't think I ever got around to sending you a copy of this letter for the society's file - so here it is.

Did you receive my last letter with my cheque in it - because the cheque hasn't been cashed yet. Just want to make sure it hasn't strayed in the mail.

Hope you are well & enjoying life. Spring is one of my favourite seasons - everything seems so bright & full of promise.

Regards

Gillian McEwen
