Dear Ros,

I received your letter today. First, I don't know what article in the PC Bulletin you are referring to that I wrote. I am missing Bulletin 66--was it ~~is~~ that?

I called the Maternity Center Assoc. in N.Y. City and they will send me their "packet" on setting up a free-standing birth center, based on their experience with The Childbearing Center in N.Y. City--it was the first in the country. It is heavy and expensive to mail ~~XXXXXXXXXXX~~ by air. It will be sent to me first and I will then airmail it on to you. Total cost will be close to $20.00. I hope that is ok. The material will be worth it. I am sad that Ann Turner, President of PC, didn't invite the MCA General Director Ruth Lubic, to NZ. She knows more about birth centers than anyone, and she will be in Australia at the end of August. If you can contact her, she'll willingly talk to you. Her itinerary is Sydney, Aug. 13-23, then to Melbourne, 25-31. Contact in Sydney is Childbirth Educ. Ass. of Australia, Ltd., NSW, Box N206, Grosvenor St. P.O., Sydney, NSW 2000. Phone 02-291-328, staying with Helen Proud, phone 02-428-4802. In Melbourne she'll be staying at the Royal Women's Hospital.

I will send a copy of your letter to ICEA International Coordinator, Elaine Norling, 83 Albert Dr., Killara, NSW Aust. 207[illegible] and ~~XXXX~~ Mary Kay Hopkins, Booth Memorial Hospital, 1881 Torbenson Dr., Cleveland, Ohio. She is ICEA Alternative Birth Committee ~~XXXXXXXXXX
