WELLINGTON.

Dear Mrs Capper,

Thank you for your letter dated 22nd July 1981.

We do appreciate that your society is anxious to commence with the necessary arrangements. However until such time we know from what date the house will be available we can not enter into a formal agreement.

I understand from our previous meeting that your society has received the approval for the proposed use from the Wellington City Corporation planning authority.

Should there be matters you wish to discuss, further you are of course most welcome to do so and advise you to telephone me and we will arrange a time suitable to both of us.

Yours sincerely,

E. Dykstra,
