General Business

- 1) Regional Conference - Decided to hold one after the budget in July
- 2) Home ^{Birth} Week - We all need to think about what we ~~are~~ want to do in Home Birth Week.
- 3) Net Working - We need to start networking with other groups in N.Z now. Perhaps send them out an update on the 1992 Conference.
- 4) 1992 Conference. We have a number of application forms for funding from various ~~gov~~ organisations. Once we have set a venue and decided on a Bicultural conference we can ~~send out~~ ~~back~~ apply for funds. We could send out a letter ~~at supp~~ with the subscription forms asking for membership involvement with the conference.
- 5) The subscription form is due to be sent out now. Kathy Raey is printing out labels.
