Dear Linda

Apologies for not getting the \$130 to you sooner but each time I saw you when I had my cheque book with me - I totally forgot about it so thought I'd better post it off to you while I'm thinking MIDIRS.

So this is for a cheaper sub. for 1992 + a normal sub for 1993. Not sure whether I make it out to MIDIRS or HBA so will leave for you to fill in.

Many thanks

Judi

Linda

Joan has just rung me to say that Beverly Bessie is willing to come to NZ to talk, run workshops etc from April 1-8 on her way to Australia. She would like a return + the fare between NZ + Australia. Is this something the HIBT wishes to organise? Has Joan already spoken to you? Perhaps if could be a combined event with COM, MSCL + Parents Centre for example.

What do you think?
