Dear Angela,

I understand that you are planning to go into practice as a domiciliary midwife. We would very much like to meet you. The midwives we have, find that the Association can give them a lot of support and of course contact with other midwives. In addition we can assist with the purchase of equipment, direction of prospective mothers in your area to you, assistance with publicity material etc.

Domiciliary midwives are members of our Association without payment of fees as one of our objects is to support midwives and if you are able to attend our next meeting on 14th January at 7.30 at Joan Donley's house we would be very pleased to meet you. Her address is 3 Hendon Avenue, Mt Albert. If you need assistance with transport please phone me and I will see if any of the Pakuranga support group are planning to attend. (Phone 502396).

Yours sincerely,

Barbara Macfarlane,  
Secretary.
