Dear ~~Barbara~~

Thank you for your letter of the 11th November. We welcome your offer of support in our concern over Midwifery education.

One of the ways you could be of considerable assistance to us is in disseminating accurate information about the training of the New Zealand Midwife. It has become apparent of late that there are misconceptions as to how and where a midwife gets trained in New Zealand, e.g., Many people appear to think that domiciliary midwives have to be trained overseas.

We feel that there are other ways that you can assist us and we would like to invite representatives of your group to attend a meeting with our committee. Is this possible?

With kind regards,

Yours sincerely,

.....
G.E. STIMPSON,
SECRETARY,
N.Z.N.A. MIDWIVES SECTION,
AUCKLAND BRANCH.
