P.O. Box 7093,

AUCKLAND 1

Dear Mrs. Macfarlane,

Thank you for your letter of 13 October informing us that your Association would like to affiliate with the National Council of Women. Thank you also for the information about your Association and the copy of your rules.

In my reply to your original enquiry I wrote that national affiliation is available to organisations with national organisation and national policy, already affiliated where possible to Branches of N.C.W. i.e. your local Branches need to affiliate to N.C.W. Branches where possible before your organisation can become nationally affiliated.

... I therefore enclose herewith a list of N.C.W. Branches and their officers so that your Branches can get in touch with them and arrange to affiliate. When this has taken place we would be pleased to submit your application to the Board of Management for approval.

Yours sincerely,

Frances Williamson (Mrs.)

Office Secretary
