Dear Joanne,

Hank told me that you said I could use some of your baby stuff if I was prepared to pay for it to be transported down to Wanganui.

I would be very happy to do that if your offer still stands.

The baby is due late October, so if you would like to let me know if it is okay, and if it is how much it will cost to have the stuff sent down.

I would of course take good care of it and return it to you once I have finished with it.

I really do appreciate your offer, I have been quite surprised at how much baby stuff is, isn't it ridiculous.

Anyway thank you very much.

Yours Faithfully
Fran Wyatt.
