Dear Ronda,

In appreciation of the work that you and Sian are doing and because of the inadequate wages you can earn, the Committee decided at its meeting on Saturday 11th October to write off your \$100 loan from the Association. We are going to put more pressure on government to increase the medical benefit paid to midwives and try to attract more midwives. We are also trying to push Hospital Boards into paying for gloves, and disposable equipment.

Thank you.

Yours sincerely,

Barbara Macfarlane,
Sec.
