Dear friends,

I am a member of our local Homebirth group here in Taranaki.
I'm planning on moving north to Waiheke Island in about two months, & expecting the birth of my second child about April 7th, would be most grateful if you could put me in contact with or send the name + address of, one of the Auckland midwives.

I have been seeing a Dr regularly here + preparing for Home Birth.

Thanks very much,

Love + light,

Sue Ferrens.
