Linwood Avenue,
MT ALBERT 3

18th September 1980

Dear Miss Nightingale,

At the last meeting of this Association several domiciliary midwives expressed their appreciation of the "fantastic care" that you and your staff have taken with transfer patients. They are very pleased that they can remain with women in labour and that the attitude of your staff is so supportive and positive. They have asked me to convey ~~our~~ ^{our} and thanks to you for your consideration and care.

Yours sincerely,

Barbara Macfarlane,
Secretary.
