5 Sept 1980

Dear Barbara & Amanda,
Thanks for your letter of July 15 — Sorry for
this long delay.

If it's not too late, please send in 41 copies of
newsletter no 1 of the national organisation.
We're just getting ourselves together again, and
are working hard on the midwife question — it's
uphill all the way! More coherent news soon!

Sincerely,
Rosemary Chassand.
