Dear Auckland Branch,

We have now had two meetings of the people interested in forming a home birth group. We have formed a committee to organize the group.

We are thinking of perhaps making subscriptions \$3.00 p.a. and I don't know how this relates to the National Body?

If we want to advertise for a mid-wife where is the best place to do this? We may have a tentative midwife who will need to be registered. If you have any information which would ~~see~~ assist her in registering, we would be pleased to hear.

The other people in the group would like to hear about the symposium and if there are any results from this yet?

I hope this is not too much to ask.

We would be interested in hearing from any midwives or other educational speakers that would perhaps be in Taranaki in the future. If anybody would

be traveling to Tararaki we would gladly look after them.  
It seems that the new group is fulfilling a need  
in Tararaki and we seem to at the moment have  
generated some interest.

Yours

Joy Tarry

P.S. Thank you for the previous lot of data sent  
some time ago.
