Dear Barbara,

I'm writing to apologise for my absence from the last two Home Birth Committee meetings, and to say that it seems unlikely that I'll be able to join you in the future. Saturday nights are difficult for me because I have to be on duty in Helenville by 10.30pm, and the long trip into town and back is a bit much for an hour or two.

I'm really sorry because you know how much I'd like to be an active member of the Association. If you think of anything at all I can do, in the line of that panel discussion for instance, please let me know, and if you can be bothered to continue to send me minutes of the meetings you may be sure they are read with great interest.

Anyway when there are big events like a conference you'll be sure to see

me, and I'll try to keep in touch. Thanks
for all the companionship and enthusiasm
that I've shared with all of you

Regards,

Kit Mooren.
