AUCKLAND.

Dear "Secretary",

I am a member of the Association (although I'd be grateful if you could let me know whether I've paid my 80-81 subs!) and attended the conference in May. I am involved in organizing a seminar on women's health in September in Whangarei - specifically in discussing "alternative child birth". I would really like to borrow the set of beautiful big home birth photographs and any other information, cuttings etc. you may have readily available. I undertake to look after them, and

pay for registered post - if you'd like.

The best address for posting to me would be - me

1/- Tikipunga Medical Centre
99 Kiripaka Rd
Whangarei.

I would appreciate your early reply to give plenty of time for organising before Sept 13-14.
Thank you!

Yours sincerely

Robin Treadwell.
