Dear Barbara,

Thanks very much
for the mug, egg cup & cards.
They are lovely but "you shouldn't
have!" etc. We are afraid to use
the mug!

H.B.A. meeting last night.
Grame will do the statistical
collation & they tell me they
have told Auchland. Maybe they
did since you asked me to find
out. ~~By~~ Anyway, I enjoyed the
meeting & the people. I'm not
going to be see. - someone else

volunteered & I enjoy meetings more
if I'm not writing minute notes.

Agnes is waiting to go so I'd
better finish this rough note
now. Love to you all,

See you soon.

Jane.
