Dear Friends,

enclosed is a cheque (drawn on our New Zealand bank account) for \$8.00. This is our sub for membership of the association for 1980/81 plus three dollars extra to pay for airmail postage for the newsletter. If it's not enough please tell us and we'll send more.

We're New Zealanders over here for a year's working holiday. The Home Birth scene here in Perth seems to be struggling a bit, with a fair amount of apathy and ~~a reason~~ most of the work being done by just a few people

love and sunshine
