134 Holly rd
Christchurch 1
29th May 1980.

Dear people,

I am anticipating the birth of my first child early in October and have a particular interest in the La Mare breathing techniques. At the last home birth meeting in Christchurch, Ursula Helen indicated that a woman in Auckland conducts La Mare classes and suggested your association may have a contact address for this person. This would be of assistance

to us - yours sincerely
M.f. Eddington
(Marg Eddington)

Dear people,
I am anticipating the birth
of my first child early in
October and have a particular
interest in the La Hore breathing
techniques. As he last time
but meeting in discussion
Mrs. Helen indicated that
a woman in Auckland conducts
La Hore classes and suggested
you association may have a
contact address for this person.
This would be of assistance
