PROFESSIONALS for SAFE ALTERNATIVE CHILDBIRTH, U.S.A.

6th May 1980

The Auckland Committee of this Association has arranged a national conference of all N.Z. home birth branch groups. I enclose an agenda setting out time, place and subjects to be covered.

We would very much like to meet and talk with doctors who cover for and attend home births. Your opinions and ideas are very valuable to us and we have little real contact. We would like to see as many of you as possible at the Conference, even if for only a short time. Your comments to the panel members on Saturday or discussion with Dr Schell on Sunday would be interesting to hear.

Yours sincerely,

Barbara Macfarlane,
Secretary.
