Dear Barbara, & M J Adams,

I got this cheque weeks ago & overlooked it due to pressure of work, - sorry!

It is for a subscription & donation.

Good luck with your work.

Could I have some back copies of the newsletter if possible please?

I hope your conference is successful, - just now I can't get away, maybe the next one.

Victoria's homebirth Group is having a seminar this coming Saturday.

We made a lovely film of twins born at home - Best wishes

Yours sincerely

John Stevenson
