---

Dear Michael,

Thank you for your letter of 17th March about the May Conference.

We shall be glad to prepare an information sheet and to nominate a speaker for the beginning of the conference.

Our potential domiciliary midwife is not yet in practice; if she registers before the conference we'll put you in touch about fees. However, she's eager to come and intends paying her own way at the moment.

We are all looking forward to this - you can't imagine!

Sincerely,

Rosmary Chasseand  
(President)
