Mr. Michael Adams,
Conference Secretary,
New Zealand Home Birth Association,
P.O. Box 7093,
Wellesley Street,
AUCKLAND 1.

Dear Mr. Adams,

I acknowledge your letter of 17 March 1980, in which you invite the Auckland Hospital Board to nominate a representative who would speak as a member of the panel on 17 May about a policy and approach to home birth.

I have sent a copy of your letter to the Medical Superintendent, National Women's Hospital and asked for his comments and recommendations.

When I have received his reply, I shall write to you again.

Yours sincerely,

R.F. Moody

Superintendent-in-Chief
