Dear Secretary,

The Conference is to be held in Auckland on Saturday and Sunday 17th and 18th May at the Freemans Bay Community Centre in central Auckland. The agenda is being prepared and will be circulated as soon as possible for comments and suggestions.

We would like each Branch to prepare an information sheet setting out among other things; the officers of the branch, membership, midwives currently working in the domiciliary area, problems you have found etc. This sheet could then be collated with the others providing each branch with a clear picture of the situation of the others.

In addition we would like each branch to nominate a speaker to give a brief address, 3-5 minutes at the start of the conference, 9.30 am. on Saturday. This would serve to identify each branch and we think that positive comments about home birth and your branch activities would help to set the tone. Would you confirm that someone will be prepared to speak.

Auckland Branch will meet the return air fares of domiciliary midwives who are in practice to the conference. Could you let us have their names and addresses as soon as possible so that we can arrange this with them.

Yours sincerely,

Michael Adams,
